

# *Activities that are the responsibility of other government agencies*

Last Modified on 07/10/2021 3:23 pm NZDT

To make best use of our resources we don't fund activities that are the responsibility of other government agencies.

Check which government organisation funds your type of project.

- [Manatū Taonga - Ministry for Culture and Heritage.](#)

You cannot apply to Creative New Zealand if your project, project phase or programme of activity has received funding via Manatū Taonga Ministry for Culture and Heritage [Arts and Culture COVID Recovery Programme](#). You can however apply for a different project or a different phase of the same project. Creative New Zealand and Manatū Taonga share relevant information on applications to avoid duplication of funding.
