

# *Administration and overhead costs*

Last Modified on 26/11/2019 4:47 pm NZDT

Creative New Zealand grants, e.g. Arts Grants, can contribute to administration and overhead costs only for the duration of the project. Ongoing administration and infrastructure costs cannot be funded through Arts Grants. Applicants should provide a breakdown of costs for the period of the project, e.g. electricity, insurance, legal advice, license fees, office supplies, printing, rent, stationery, telephone and postage.
