

# *Support material for reporting*

Last Modified on 13/09/2021 11:48 am NZST

Support material demonstrates the results of your project. Your support material will be kept confidential and only used for the purpose of evaluating your project.

The preferred method for supplying support material is a web-link (URL) to where your support material may be read, viewed or heard.

What other support material you need to provide depends on your funded activity type(s). You can find information about this at [Portal User Guide - Add activity statistics and support material](#)

Creative New Zealand will not return support material. Do not send originals or any material that you would like to have returned.

One copy of the resulting publication, music score, CD, or DVD, bearing Creative New Zealand's logo, must be supplied. Composers represented by SOUNZ should also send a copy of the music score, CD or DVD recording to SOUNZ.
